Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 08 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Snow showers continue tonight. Remaining bitterly cold with strong winds.

This Evening and Tonight:
Snow showers will continue across the region this evening, easing throughout the night with some drier spells at times. Feeling bitterly cold with strong winds and a widespread frost and ice developing. Minimum temperature -2 deg C (28 deg F).

Tuesday:
Patchy cloud and snow showers will continue for much of Tuesday, with some drier spells at times. A bitterly cold fresh easterly wind, with frost likely to develop overnight. Maximum temperature 1 deg C (34 deg F).

Outlook for Wednesday to Friday:
Sunny spells and isolated snow showers on Wednesday. Showers ease on Thursday, remaining very cold with brisk winds. Slightly less cold Friday, with some outbreaks of rain or snow possible.
